Juniors Welcomes Kelly Johnson!

Proud to be a Jersey girl. I graduated high school from Gill St. Bernard's. I then moved to Texas, graduated college with an education degree. I moved back to Jersey, lived in Chester and taught Kindergarten for nine years for the Mendham Township School District. Once my daughter was born, we moved to Mendham Township and I made the decision to be a stay at home mom. I now look forward to meeting other local moms and participating in the community service events held by WMJWC.

Welcome Kelly!

Meet our newest Junior baby, Brielle Daly!

She's arrived! Congratulations to our Communications Chair Allyson Daly, her husband John and big sisters Barrett and Brooke as they welcomed Brielle Clare Daly born on May 14 at 11:31 a.m.! Brielle weighed 8 pounds, 1 ounce and is 20.5 inches long! She's precious Allyson! We can't wait to meet her!

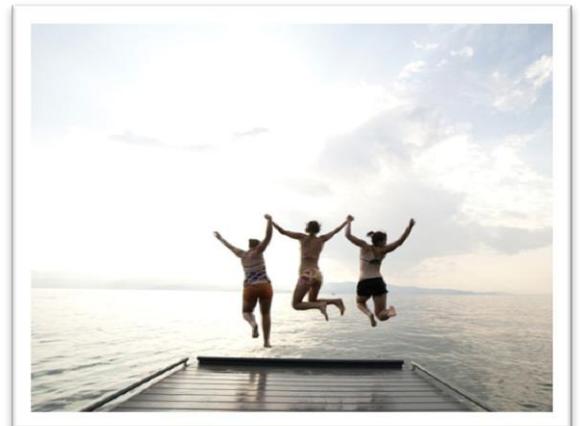

President's Letter

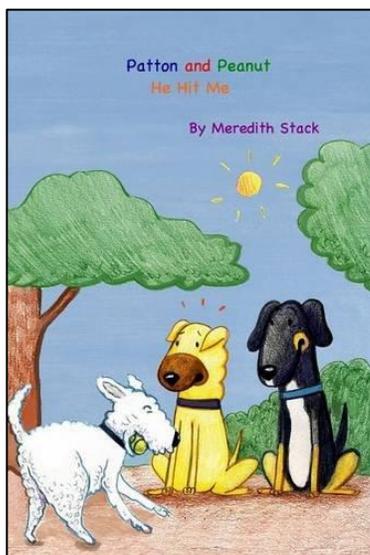

What a year it has been! Thank you again to everyone who worked so hard to make Taste of the Seasons a success. I hope that everyone who was able to attend had a great time.

We've made it to summer and I'm looking forward to finishing up the end of the Juniors season with all of you at our next meeting on June 10th. Thank you so much to Meredith Ross for hosting our final meeting. There will be plenty of time to socialize but we will begin the meeting by discussing new ideas and events for next season which begins in September. If you have an idea for an event, please email or call me so we can turn the idea into reality.

Our group is filled with so many talented and dynamic women and it's only through your creativity and dedication that we can make an impact in our community. I'm very excited for the year ahead!

Junior Meredith Ross Authors Children's Books for Cancer Research

Join WMJWC member Meredith Stack Ross in helping to raise funds for cancer research!

After seeing her mom suffer from cancer and seeing a friend lose her son to cancer, Meredith decided to write children's books to fight back. Meredith authored two funny children's books called Patton and Peanut with proceeds going toward finding a cure for cancer. Patton and Peanut: He Hit Me is about learning not to hit back and Patton and Peanut: No More Collar is about learning that rules are in place for a reason. Help make a difference and pick up your copies today on her website pattonandpeanut.com, Amazon and BarnesandNoble.com. With your help, we can fight cancer and help put an end to the suffering!

Congratulations Meredith on this wonderful and charitable accomplishment!

Take Part in "Quotes for a Cure" To Benefit Alex's Lemonade Stand

Junior Susanna Short and her family's insurance agency is running a partnership event with Alex's Lemonade Stand Foundation for Childhood Cancer now through June 30.

It's super simple: when someone gets a free auto insurance quote from the Short Family Allstate Agency (anyone in NJ is eligible), the agency will donate \$10 to Alex's Lemonade Stand. It's a quick and painless process, and can be done over the phone, via email, or in person. We hope that you will consider trusting the Short Family Allstate agency to handle your insurance needs, but no purchase is required on your part in order for the agency to make the donation!

Contact Susanna Short (susanna@allstate.com or 800-766-7606, press 1 for sales) if you are interested and visit the fundraising page for more information: www.alexlemonade.org/mypage/1122089
